

Director of Formation Report 2014-2015

We have received approximately 100 emails in this last year. About 10% of those have followed through into the postulancy program with several others in various stages of discernment. 4 inquiries were from overseas.

There are currently 15 Postulants and 25 Novices. 5 Novices will be standing for profession at Chapter.

There are currently 6 Inquirers who are waiting to be matched with a formation counselor so they can begin their Postulancy. If you are feeling called to serve as a formation counselor, please speak with me..
