

"Fiddlesticks" produced four 10 -12 page issues this year. The current circulation includes OEF members (professed and novice), postulants, associates and friends. 43 hard copies via snail mail and 74 pdf copies via e-mail are sent out for each issue.

"Fiddlesticks" will continue to be produced at Francistide, Epiphany, Lent and Post-Chapter every year, as long as there is sufficient material submitted. My goal is to have at least one page from each of the following Servant team members in every issue: Minister General/Co-ministers; Chaplain and Director of Formation Counseling. I would also like someone from every regional gathering throughout the year to take responsibility for submitting an article on the gathering events. (Pictures would be great, too!) These simple commitments from members will ensure meaningful and informative newsletters.

Respectfully submitted,
Sister Chris Petersen, OEF
"Fiddlesticks" Editor
